

## **Postdoctoral position in theoretical condensed matter physics**

Postdoctoral position is available in nanoelectronics and nanophotonics group at the Skolkovo Institute of Science and Technology (Moscow, Russia). The research will focus on theory and modeling of novel 2D materials for photonics applications in close collaboration with experimental groups. Selected applicants will receive a highly competitive compensation package. Positions are available immediately; starting date is negotiable. **Contact Professor Vasili Perebeinos at [v.perebeinos@skolkovotech.ru](mailto:v.perebeinos@skolkovotech.ru) by sending your CV and the names of at least two references.**
